

## Cost of Sponsorship

Although the cost of living varies from one region to another, the following table can assist the sponsoring group in estimating the cost involved in sponsoring a refugee family for 12 months. The required financial resources indicated in the Sponsorship Cost Table are roughly equivalent to local social assistance rate figures.

Family Size	12 Months of Income Support	Start-up Costs	Estimated Total Annual Settlement Cost (\$)
1	9,800	2,800	12,600
2	16,800	4,400	21,200
3	17,700	5,300	23,000
4	20,000	7,000	27,000
5	22,500	7,200	29,700
6	24,500	8,000	32,500
Additional member	1,550	1,000	2,500

Income Support can vary depending on ages of various dependants which play a role in determining monthly income support for shelter, food, transportation and incidentals.

Start-up costs include: one time payment for household items, furniture, linens, food staples, clothing & winter clothing, deposit for utilities, phone installation and first month's rent. These are approximate rates only and should be used as a guideline. Contact your local Citizenship and Immigration Centre (CIC) should you be interested in your local Resettlement Assistance Program (RAP) income support rates which are in line with local social assistance rates.

For details on how to contact your local CIC, refer to the [Guide to the Private Sponsorship of Refugees Program](#).

Several factors may reduce the amount of financial support that the sponsoring group must provide. Examples of these factors may include: in-kind donations and financial resources the sponsored refugee brings to Canada. The chart below provides an estimated value for certain in-kind donations. For more information on the cost of sponsorship, contact your local Citizenship and Immigration Centre or the Refugee Sponsorship Training Program (RSTP).
