Access to Documents

You have the right, upon request, to obtain a copy of the policy, your application and any written statements or other records you have provided to Great-West Life as evidence of insurability, subject to certain limitations.

Legal Actions

Insured benefits

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (for actions or proceedings governed by the laws of Alberta and British Columbia), The Insurance Act (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the Quebec Civil Code.

Non-insured benefits

No legal action to recover non-insured benefits under this plan can be introduced for 60 days after notice of claim is submitted, or more than two years after a benefit has been denied.

Appeals

Insured benefits

You have the right to appeal a denial of all or part of the insurance or benefits described in the contract as long as you do so within one year of the initial denial of the insurance or a benefit. An appeal must be in writing and must include your reasons for believing the denial to be incorrect.

Non-insured benefits

You have the right to appeal a denial of all or part of the coverage or benefits described in this plan as long as you do so within two years after the denial. An appeal must be in writing and must include your reasons for believing the denial to be incorrect.

Benefit Limitation for Overpayment

Insured benefits

If benefits are paid that were not payable under the policy, you are responsible for repayment within 30 days after Great-West Life sends you a notice of the overpayment, or within a longer period if agreed to in writing by Great-West Life. If you fail to fulfil this responsibility, no further benefits are payable under the policy until the overpayment is recovered. This does not limit Great-West Life's right to use other legal means to recover the overpayment.

Non-insured benefits

If benefits are overpaid you are responsible for repayment within six months, or within a longer period if agreed to by your employer. If you fail to fulfill this responsibility, further benefits will be withheld until the overpayment is recovered. COMMENCEMENT AND TERMINATION OF COVERAGE

You are eligible to participate in the plan on the date your retirement begins.

- You and your dependents will be covered as soon as you become eligible.

You may waive health and/or dental coverage if you are already covered for these benefits under your spouse's plan. If you lose spousal coverage you must apply for coverage under this plan. If you do not apply within 31 days of loss of such coverage, or you were previously declined for coverage by Great-West Life, you and your dependents may be required to provide evidence of good health acceptable to Great-West Life to be covered for health benefits, and may be declined for or offered limited dental benefits.

- Increases in benefits while you or your dependents are in hospital will not become effective until you or your dependents are released from hospital.

Your coverage terminates when you are no longer eligible or the plan terminates, whichever is earlier.

- Your dependents' coverage terminates when your coverage terminates or your dependent no longer qualifies, whichever is earlier.
- When your coverage terminates, you may be entitled to an extension of benefits under the plan. Your employer will provide you with details.

Survivor Benefits

If you die while your coverage is still in force, the health and dental benefits for your dependents will be continued for a period of 2 years or until they no longer qualify, whichever happens first.

DEPENDENT COVERAGE

Dependent means:

- Your spouse, legal or common-law.

A common-law spouse is a person who has been living with you in a conjugal relationship for at least 36 months.

- Your unmarried children under age 22, or under age 25 if they are full-time students.

Children under age 22 are not covered if they are working more than 30 hours a week, unless they are full-time students.

Children who are incapable of supporting themselves because of physical or mental disorder are covered without age limit if the disorder begins before they turn 22, or while they are students under 25, and the disorder has been continuous since that time.

BENEFICIARY DESIGNATION

You may make, alter, or revoke a designation of beneficiary as permitted by law. You should review any beneficiary designation made under this policy from time to time to ensure that it reflects your current intentions. You may change the designation by completing a form available from your employer.

How to Make a Claim

- **Out-of-country claims (other than those for Global Medical Assistance expenses)** should be submitted to Great-West Life as soon as possible after the expense is incurred. It is very important that you send your claims to the Great-West Life Out-of-Country Claims Department immediately as your Provincial or Territorial Medical Plan has very strict time limitations.

Access GroupNet for Plan Members to obtain a personalized claim form or obtain form M5432 (Statement of Claim Out-of-Country Expenses form) from your employer. You must also obtain the Government Assignment form, and residents of British Columbia, Quebec and Newfoundland & Labrador must also obtain the Special Government Claim form. The Great-West Life Out-of-Country Claims Department will forward the appropriate government forms to your attention when required.

You should complete all applicable forms, making sure all required information is included. Attach all original receipts and forward the claim to the Great-West Life Out-of-Country Claims Department. Be sure to keep a copy for your own records. The plan will pay all eligible claims including your Provincial or Territorial Medical Plan portion. Your Provincial or Territorial Medical Plan will then reimburse the plan for the government's share of the expenses.

Out-of-country claims must be submitted within a certain time period that varies by province or territory. For the claims submission period applicable in your province or territory or for any other questions or for assistance in completing any of the forms, please contact Great-West Life's Out-of-Country Claims Department at 1-800-957-9777.

- **Claims for expenses incurred in Canada, for paramedical services and visioncare**, may be submitted online. To use this online service you will need to be registered for GroupNet for Plan Members and signed up for direct deposit of claim payments with eDetails. For online claim submissions, your Explanation of Benefits will only be available online.

Online claims must be submitted to Great-West Life as soon as possible, but no later than 6 months after you incur the expense.

You must retain your receipt for 12 months from the date you submit your claim to Great-West Life as a record of the transaction, and you must submit it to Great-West Life on request.

- **For all other Healthcare claims**, access GroupNet for Plan Members to obtain a personalized claim form or obtain form M635D from your employer. Complete this form making sure it shows all required information.

Attach your receipts to the claim form and return it to the Great-West Life Benefit Payment Office as soon as possible, but no later than 15 months after you incur the expense.

If you or a dependent are entitled to benefits for the same expenses under another group plan or as both an employee and dependent under this plan or as a dependent of both parents under this plan, benefits will be co-ordinated so that the total benefits from all plans will not exceed expenses.

Claims for dependent children should be submitted to the plan of the parent who has the earlier birth date in the calendar year (the year of birth is not considered). If you are separated or divorced, the plan which will pay benefits for your children will be determined in the following order:
 1. the plan of the parent with custody of the child;
 2. the plan of the spouse of the parent with custody of the child;
 3. the plan of the parent without custody of the child;
 4. the plan of the spouse of the parent without custody of the child
