

Ministry Initiative Grant Applications Time Line

Completed grant application forms must be in the Saint John office **no later than November 15**. The following time line is suggested in order to ensure that this happens:

By June 30:

All Association Mission Commissions (or equivalents) will have received from the Saint John office the application forms and list of churches that need to receive them.

By September 15:

Application forms will have been distributed to the respective churches **by the Association Mission Commission**.

By October 24:

All churches will have returned to completed copies of the application form to the Association Mission Commission with all requested documentation.

By November 9:

The Association Mission Commission will have completed an interview meeting with representatives from all grant seeking churches.

By November 15:

All grant application forms will have been received by the Atlantic Baptist Mission Board at the Saint John office (being sent by the Association Mission Commission).
