

## Springforth 2014 Accommodations

Groups coming to Springforth make their own arrangements for Friday night accommodations. You can stay in a motel or hotel of your choosing, the residence at Crandall University or on the floor of a Moncton-area church.

Please note that all accommodations are available on a first come, first served basis and that there is not enough space at the churches listed below or at Crandall University to accommodate all groups. So, if you want to stay in a church or at Crandall, contact them as early as possible to secure your spot. If you prefer to go with the option of a bed, shower and the possibility of a free breakfast in a motel or hotel, please note that these tend to fill early for the month of May.

**Motel/Hotel Options:** Many hotels and motels in the Moncton area will provide a good rate for you when you explain the type of event you are taking your youth to. By putting 4 in a room, you can stay quite comfortably and economically! The Tourism NB website (<http://www.tourismnewbrunswick.ca/en-CA/HNSearch/HNHotelsAndMotels.htm>) lists all the possibilities.
