

First Baptist Church of Owen Sound seeks a qualified pipe organist to play our two manual, well maintained, Matthews 1911 organ. Along with a personal profession of faith in Christ, from experience, this person will understand the culture, and life of churches. The music of FBC includes the hymns of the faith with the organ and contemporary songs with the piano and led by our Worship Team. Therefore, this person will support the music blend FBC embraces. Because this person appreciates the worship of God through music, they will choose music recognizable to the congregation. We value variety. Therefore, along with being a congregational team player, this person will foster and incorporate our local musicians within the service (i.e. violinist and trumpeter) when applicable. Although presently there is no permanent choir, the person will facilitate and lead occasional choirs at special times such as Christmas, Easter etc. This person will also participate in the life of church (i.e. coffee fellowships). Approximately 4-6 hours per week will be required and salary range commensurate with RCCO guidelines. We regularly worship on Sundays at 11:00 am. Candidates will provide references. Please send resumes to fbcpastor@bmts.com. Only those chosen for an interview will be contacted. Visit our website: fbcowensound.weebly.com.
