

## GDBC Ministry Opportunities

We are Greenwood Drive Baptist Church and we are on Mission “to reach and to serve those in our community and beyond with the Love and Good News of Christ”. We are “Driven for Kingdom work through compassion and equipping servants” and if these things touch your heart we want you to join us.

To fulfill our mission we are seeking committed Christians to work alongside our Senior Pastor in the areas of Administration, Children’s Ministry, Worship/Praise Ministry and Youth/Young Adult Ministry.

Each of these areas of ministry will require a commitment of 15-20hrs/week. We are looking for applicants who are interested in one or more of these, potentially leading to full-time ministry. You may have a passion for working with youth but also love to help others keep things organized; you may love music and praise but also want to make sure that everyone gets paid on time; you love teaching little ones about the love of Jesus and you also like using social media as a means of staying in touch; the combinations are endless.

So based on your talents and time, please, consider these ministry options:

Children: Nursery - Gr. 5	Sunday Mornings & Mid-week programs Summer camps
Youth/Young Adults: Jr High - University	Leadership development & camp support Short-term missions possibilities, eg Tidal Impact Mid-week programs & Bible study groups
Worship & Praise	Guide weekly worship in consultation with Sr. Pastor Mentor leaders of worship in various Worship teams Explore opportunities to minister through music
Administration	Provide welcoming first impression to visitors Team player supporting ministry staff Assist Treasurer Social Media promotion and communications General record keeping Weekly service preparation

These descriptions are not exhaustive lists of responsibilities since we are a church with a servant’s heart seeking to grow and expand as the Lord leads us.

Preference will be given to those with education &/or experience in each area of ministry. If you would like more information or to submit a current resume, please, contact Andrea Woodward Brewer at [andrea.woodwardbrewer@gmail.com](mailto:andrea.woodwardbrewer@gmail.com) with a cover letter outlining the areas of ministry that are of interest to you and indicating present involvement in your local fellowship.
