The position of Next Generation Ministry Coordinator at Springhill Baptist is being created to focus primarily on children, youth, and young families. It is a ministry to reach and disciple those groups both within our church and through outreach opportunities in the community. Providing leadership and training for volunteers to support children/youth will be an integral part of the position.

The attached list of ministry responsibilities, running under the direction of our Senior Pastor and numerous dedicated volunteers, represents where Springhill Baptist is at this point in time. Some of these ministries and activities have been temporarily suspended due to Covid-19 but will resume as soon as it is safe to do so. The person God leads into this ministry position would assume responsibility in these areas but be part of a team supported by the Pastor, C.E. Board, and church volunteers.

Vision and innovative thinking will be encouraged and we expect some of the current ministries/activities to change or evolve over time to reflect the gifts and leadership style of our Next Generation Ministry Coordinator.

We are searching for someone who has a passion for children and youth ministry, to join us at Springhill Baptist to lead the next generation to Jesus, help them grow in their faith, and experience the blessings of a Christian life.
