### About Our School

Oceanview Christian Academy ("OCA") is a small, independent Christian school located in the Municipality of Barrington which is in southwestern Nova Scotia. Our school was founded as a ministry to our community and region. We began teaching our first classes in September of 2017 and have grown from a small number of students to over 60 in five years. We started as an elementary school and have expanded to include all elementary and junior high grades at two campuses. It is our hope and prayer that we will be able to include high school grades in the coming years.

OCA is supported by our core group of teachers and volunteers including our Board of Directors, along with strong financial support from our community. Our student families and staff represent a range of about 14 churches in our broader community. OCA is a member school of ACSI.

## About Our Position

OCA is looking for a full-time **Principal/Administrator** who is an inspiring spiritual leader with a passion and commitment to quality Christian education, who will cultivate the mission and vision of our school.

The right person for our position must demonstrate a strong Biblical relationship with God and be an active member in their church. They live out a heart and passion for Christian education. They are a strong communicator, relationship builder, and people leader. They are capable and experienced as an administrator and organizer. They have good technological skills. They have a strong work ethic and enjoy a position that provides a significant degree of autonomy but requires a high level of maturity, responsibility, and commitment.
