

Leadership Development Intensive

Introducing the **Leadership Development Intensive**, an eighteen (18) month program designed to help all pastoral leaders understand themselves, leadership, church, and their community.

Leadership Development Intensive (LDI) participants will gather for four catalytic in-person summit events (see below), plus monthly peer learning circles to facilitate growth and discussion in smaller, more tightly knit groups.

In our current moment, the church needs thoughtful leaders. Leadership is a journey, and it begins with a good theology of leadership, how to lead oneself, how to understand our cultural context, and how to navigate congregational challenges. LDI will help our pastoral leaders develop their skills and awareness in these areas. If you're a pastoral leader, we invite you to join us on this journey. If you're a congregation, please consider investing in your leader(s) as they help you serve your own neighbourhood.

LDI Cost

\$275

Registration Deadline: March 15th, 2023

Monthly Peer Groups

Discuss leadership and ministry with those who are on a similar journey

LDI equips you with conversation-starters to guide your discussions

Meet online or in-person: your group can decide the format & schedule

Smaller size gathering of peers
