POSITION DESCRIPTION

Our church family is looking for a pastor who is ordained with at least 10 years of experience. Our pastor must be able to preach and teach God's Word in an effective way, that enables people to develop in their Christian life and to apply in daily life. We are looking for someone who is mature and emotionally secure, who is able to work well in team situations (board of deacons and various committees), and who is able to motivate others.

We expect our pastor to study the Bible and to prepare weekly sermons that will be preached. Our pastor will be an ex-officio member of all committees and will be required to provide oversight to the Christian Education committee (which includes our children's programs, youth programs, and small group Bible studies). Our pastor will be expected to conduct weddings and funerals as needed; and to visit members of the congregation where they live, be it a private residence or a nursing home, or if they are in the hospital.
