CANADIAN BAPTISTS  
OF ATLANTIC CANADA

## Approach

The Drive Baptist Church (The Drive) is seeking to fill several vacant roles to support the various ministries that it offers. The roles sought to be filled are: Associate Pastor of Family Ministries, Associate Pastor of Worship, Technology Lead, and Administrative Assistant.

The Drive is willing to combine two or more of these roles into a single job position based on the candidate's calling, skills, and experience as each of these roles, if taken by itself, would not constitute a full-time employment opportunity. The possible exception is the Associate Pastor of Family Ministries which is expected to require more hours (to be negotiated). The Drive is advertising the roles individually and asking candidates to indicate the role(s) of interest and describe their capabilities in filling their chosen role(s) when applying. Taking this approach not only allows the candidates to utilize more of their gifts, work in multiple areas of interest and skill, but also may allow for creation of full-time or part-time employment as preferred by the candidate. While asking candidates to express interest in more than one role, it is not required and all applications for a single role will be given consideration.

The roles outlined below are high level descriptions with only key functions identified. Detailed role descriptions will be available to candidates selected for interviews.
