

TEAM SELECTION PROCESS FAQ

Sending a church team to the CBAC Justice Summit? Here's all you need to know.

1 WHY TEAMS?

At the heart of the Justice Summit is a vision to raise up and equip leaders to engage issues of Justice in their neighbourhoods. We believe that by sending a team, your church will be better equipped to build momentum and consensus as you. get moving! These teams could form the foundation of your future 'justice leadership' at your church. By sending teams, we are inviting churches to partner with us in raising up leaders to more effectively join God in our neighborhoods.

2

WHO WOULD MAKE A GREAT TEAM MEMBER?

The CBAC Justice Summit is ideal for passionate, mission-minded individuals that are ready to take the next step from education to action. We are inviting our CBAC churches to identify these people, and send teams of individuals passionate about working towards biblical justice in their neighborhoods.

Teams can be made up of pastors, lay leaders, teens and young adults, members of a mission board or justice committee, or congregants with a real passion to work towards change!

3

WHEN SHOULD I ASSEMBLE A TEAM?

As soon as possible! The Justice Summit is scheduled for November 4th and 5th, so we encourage churches to begin having conversations with potential delegates as soon as possible. We also recommend taking 3 weeks to move through the prep-work.

4

HOW DO I REGISTER A TEAM?

Simply register online through our website <https://baptist-atlantic.ca/event/justicesummit/>

We suggest one point person to register the full group. If your church sends a group of 4+ people, you can receive a 10% discount off the registration.

NOTE: Registrations must be completed together in 1 transaction to qualify for this discount.

You will be prompted to select the number of team members for your church and fill in relevant information for each person.

5

CAN I REGISTER AS AN INDIVIDUAL?

Yes! We believe this work is made stronger in community, but if your church is not ready to put together a team, don't let that stop you from attending the Justice Summit. There is room for everyone at the table.

6

DOES MY TEAM NEED TO DO ANYTHING BEFORE ARRIVING?

We will be releasing a few short prep-work exercises that we highly recommend to ensure your team gets the most out of your experience at The Justice Summit!
