lived. But, as I write these words today I'm convinced that we cannot see racism or do anything to combat it until we can step back and see the ways in which racism has shaped our world and ourselves, whether we've been aware of it or not. And, I have to recognize that I will probably never KNOW how it feels to experience racism.

Well, seven years have passed since the Racism Consultation. The intensity of my determination has not been steady as other issues and responsibilities have persistently demanded my attention. However, as I take stock of the past seven years, I'm grateful for the way God has been teaching me – slowly – to see and understand racism. I have much yet to learn! I hope that you will join me on the journey.

To Pastors & Church Leaders:

Are you aware that Atlantic Baptist Women has a Daily Vacation Bible School program for churches that do not have the leadership to carry out a summer DVBS ministry? ABW will provide a team of two young adults and the curriculum at no cost to your church. The young adults will receive training and will come prepared to lead the DVBS program at your church.

The church's responsibility for the DVBS program is to provide:

- hosts for the team while they are in your community,
- helpers for the DVBS ministry,
- craft materials and snacks (your church will receive a list of items needed for the one week program).

The DVBS team will teach a mission component. The children will be encouraged to bring a mission offering for the designated summer project.

If you are interested in having a team come to your church during the months of July or August, **please contact:**

Mrs. Laura Selig, 65 Killarney Road,
Riverview, NB, E1B 2Z8.
Phone: 506-386-8590 **Email:** lauraselig@yahoo.com

If you have a preference to hold DVBS during a specific week of the summer, please make your request by early February, 2007.
