Pre-Authorized Giving

Pre-authorized giving is a convenient way of giving to your church on a regular basis throughout the year, even when you cannot be present for a period of time.

The work and expenses of the church continue whether you are there or not.

If you are ill or aged and find it difficult to get to church, or are away for a number of months on vacation or work, this system may be of help to both you and your church.

You will no longer need to write cheques and mail them, or find someone to take them to church for you.

Each week your church offering will be automatically transferred from your bank account.

Of course, you can always continue to use your Church offering envelopes for Special Occasions or additional giving.

Secure

You know your offering to the church is always received directly by the church.

A record of your donation will appear on your bank statement or passbook.
